Remote Visualization

How can I get interactive access to the hpc ressources?

1. Install the NICE DCV Clientsoftware on Your local PC or Laptop
2. Goto www.tu-ilmenau.de/vis Link
3. Login and click at „KDE Desktop Session“ with the following parameters:
4. If You start this interactive session for for the first time You must connect the application with the installed „NICE DCV Client“ software.
5. Hint: You can start Your interactive KDE session in a separate browser window or through the NICE DCV client software - please set it in the „Settings“ submenu at the tab „NICE DCV (since 2017.0)“.
